Thank you Mr. O'Donnell,

Thank you Mr. Hart,
Our Class Administrator

*We Dedicate Our Yearbook
to You.
The Class of 1976*

Mr. Edward F. Gallagher, Principal

The student composite of North's Class of 1976 is ample evidence that young people today are not misguided, misdirected nor disillusioned.

Our Class of '76 demonstrates the concern of young people for others, the involvement necessary to promote brotherhood, the return to academic prowess, the self sacrifice for a common good, and the spirit of belonging to achieve common goals. These terms may appear platitudinous, but my personal knowledge of your class belies that notion.

Practically, as a class, you have accepted the many challenges North presented; you gave of yourself to our many activities; you presented a "new" student image for all to emulate. You are to be complimented for your successes.

I'm extremely proud to be associated with the Class of '76. The North High faculty salutes your achievements.

Let there be no mistake that you are ready to take your place in the world of work, of academy, of service to others and that you are ready to make a significant contribution to your society.

My sincere best wishes to each of you . . .

Edward F. Gallagher

COMMUNITY SERVICE

Mr. O'Brien — Advisor

The Community Service Program is operating this year with all the success produced by the momentum of past years plus the excitement of several new activities. This volunteer student program, directed by Mr. Jack O'Brien, places students in service agencies throughout the Framingham area. Presently over 200 students are involved in some 35 activities. Kindergarten aides are working at Saxonville and Juniper Hill Schools. Elementary Teacher-Aides are helping out at Potter Road and Hemenway. Reading Tutors are working with Middle School students at Walsh and Cameron. Special needs children are being helped at Cameron and through programs of ice skating at Loring Arena, swimming at the YMCA and a gym program at Hastings. Through Project Accept, students are taking a 10 week course learning to be companions for special needs children at the Peter Philip School. At the completion of their course, the students will be placed in clinics and other facilities in the Community.

In other areas, students are actively involved through Community Service at the Learning Center for Deaf, at St. Patrick's Manor, Framingham Union Hospital, the Y.M.C.A., the Red Cross, Bloodmobile, Brandon School, Big Brother-Big Sister, Explorer Scouts, Framingham Children's Center, Project Head Start, Framingham Youth Coordinator's Office, Multi-Community Language Center, the Selectmen's Office and as Town Meeting Aides.

Through these activities, the students provide welcomed and valued services to the many agencies of the community. In return, the students have the opportunity to sample possible careers, to learn first hand in a meaningful way, the manner in which a community functions while extending their education beyond the classroom.

LORING STUDIOS
Your Yearbook Photographer

Congratulations to the Class of 1976

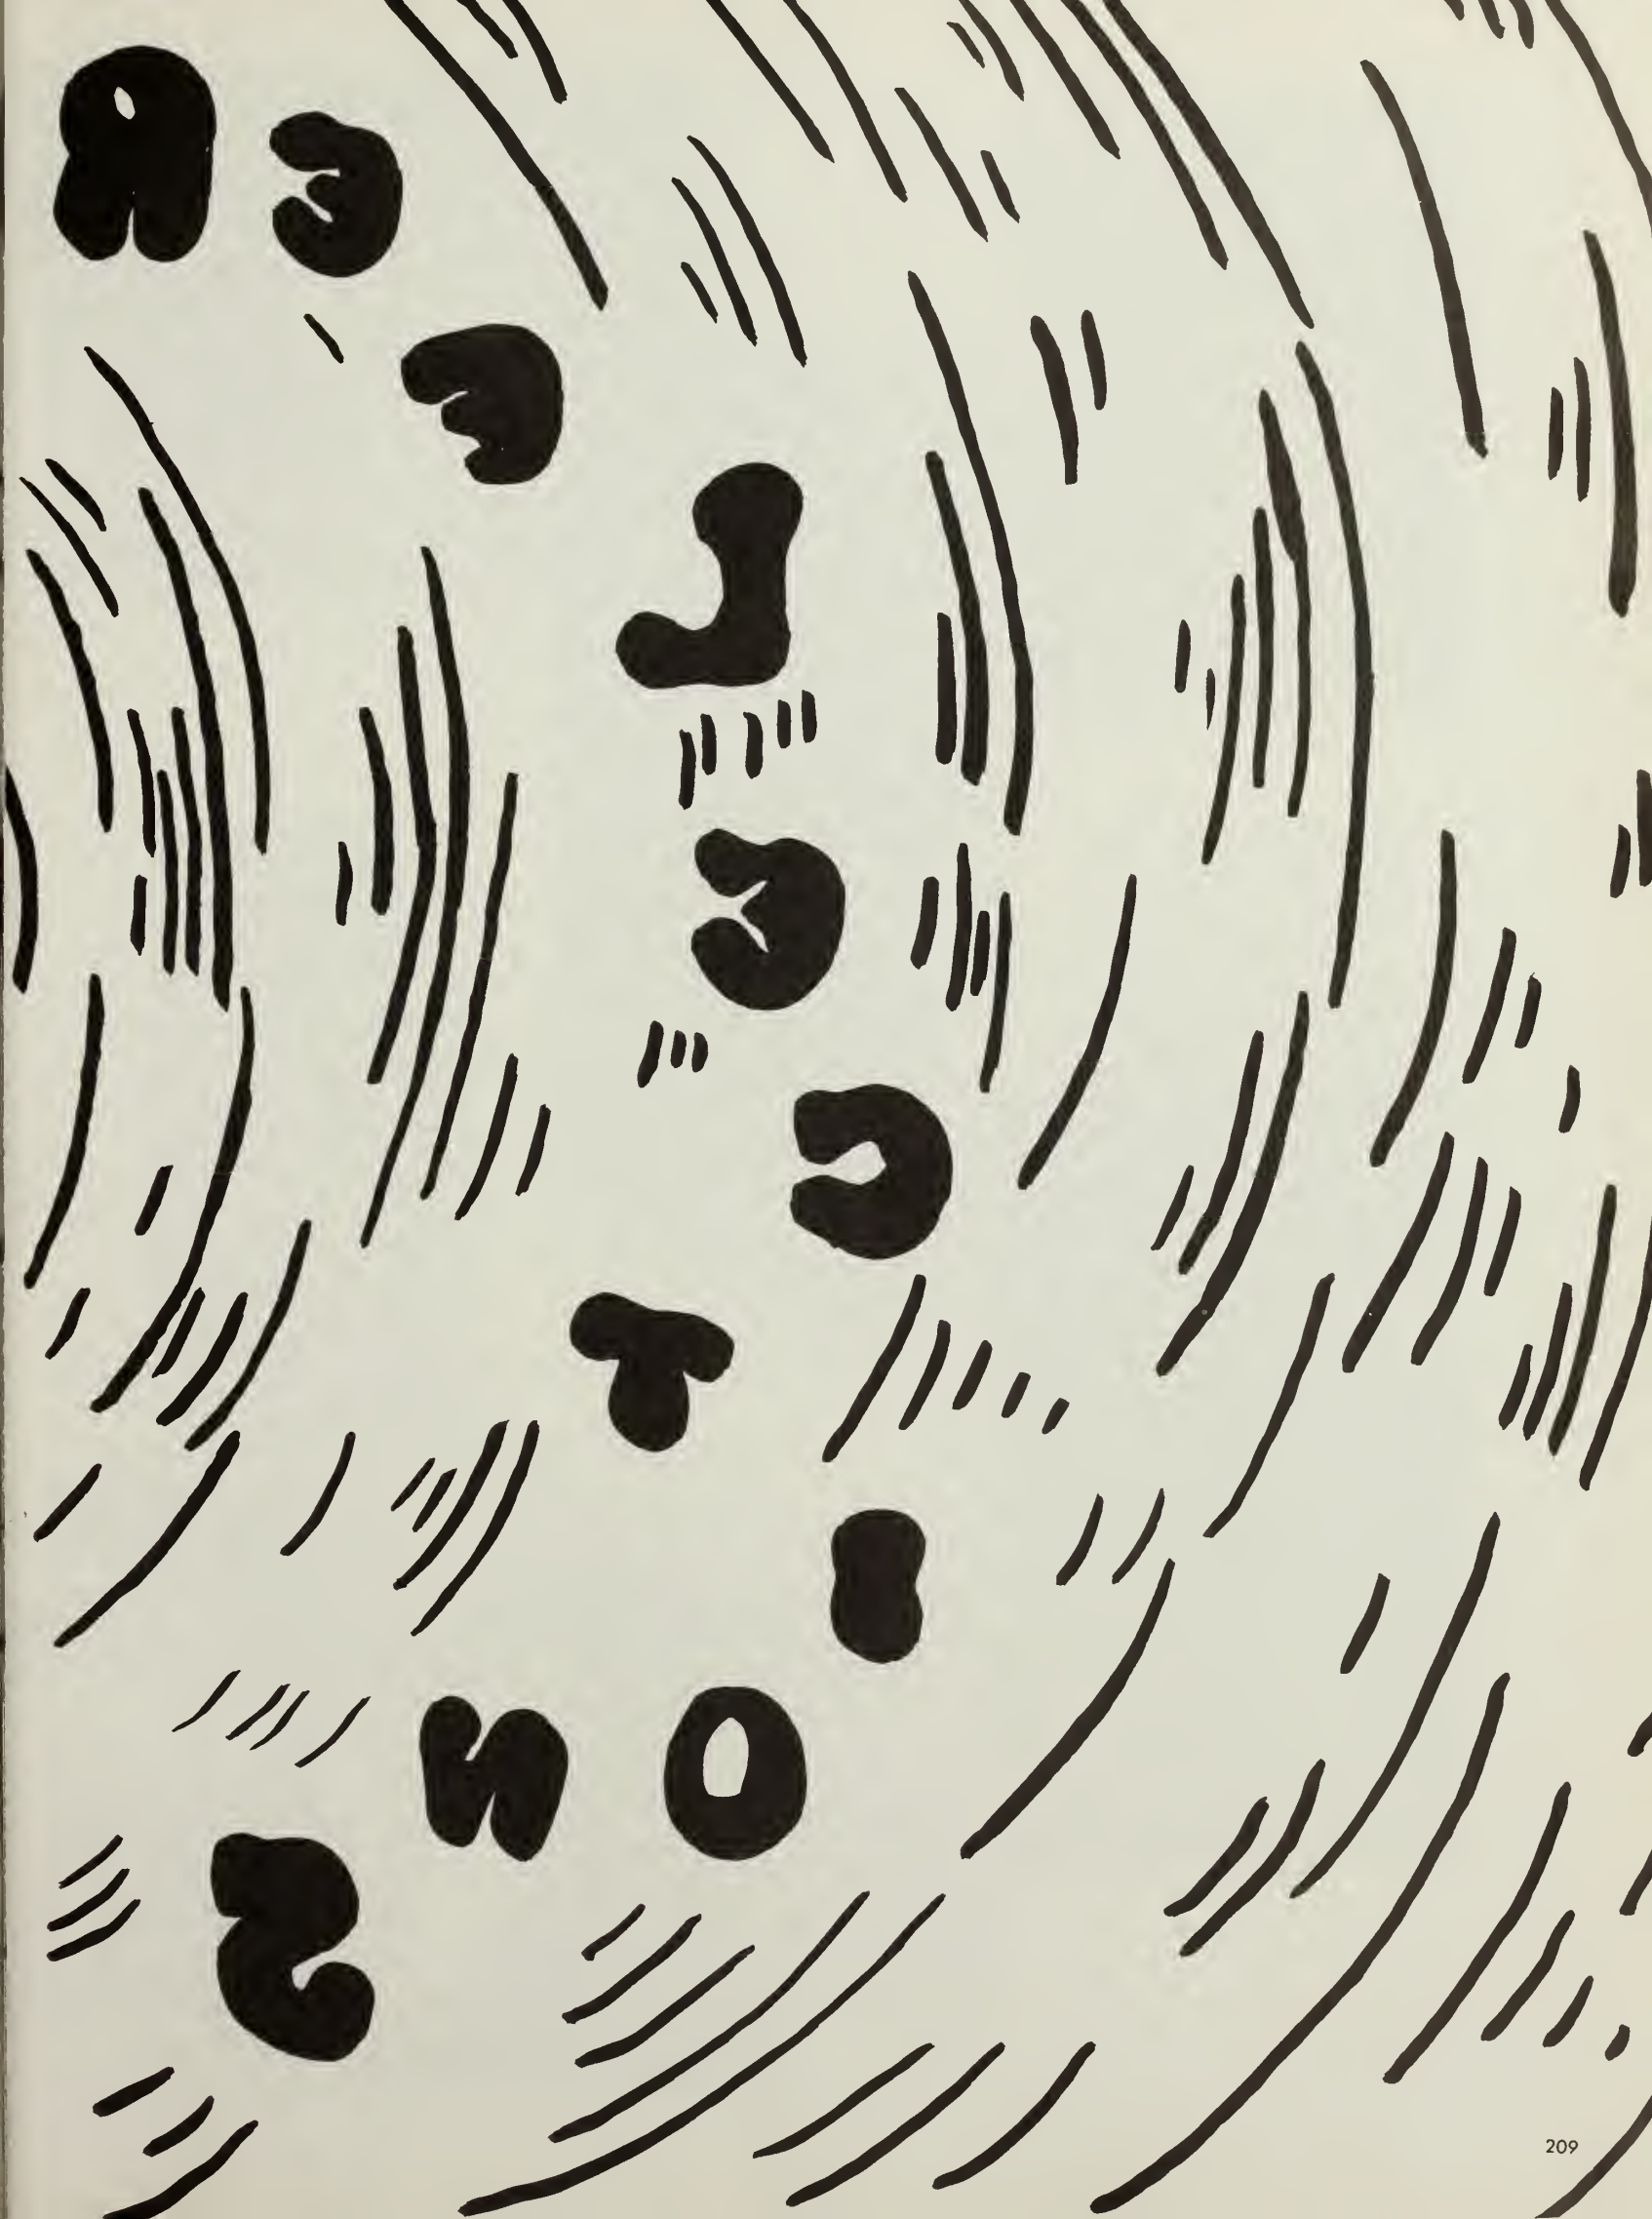

We know the sigh of relief that comes at the end of your final exam. Long years of study behind you, and a big wide world ahead.

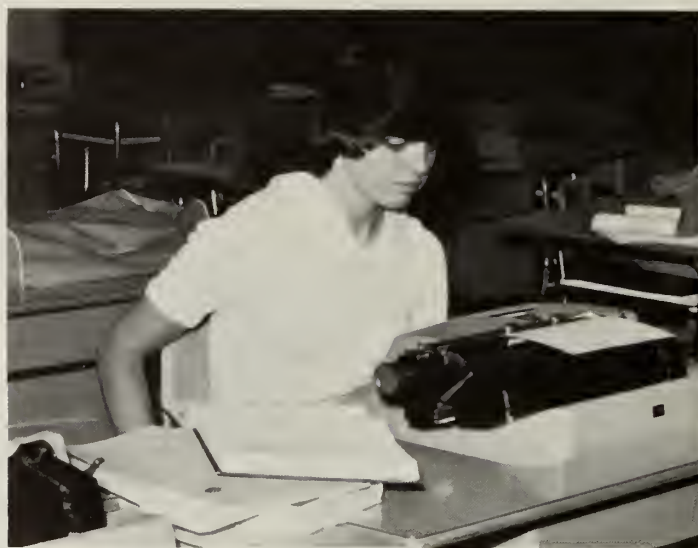

But even at that it isn't the final test or the end of your learning. The biggest tests still face you in the choice and fulfillment of your life's work. Many plan for college, some must reckon with the armed forces. Others will seek positions in industry, trade, business. We, at Dennison, congratulate you on your past accomplishments; if your future plans call for steady employment or summer work, we'll be glad to discuss your problems with you.

Our Employment Department will welcome the chance to outline opportunities existing in our offices, factory, and warehouse.

DENNISON

*Do you know
where you're
going to?*

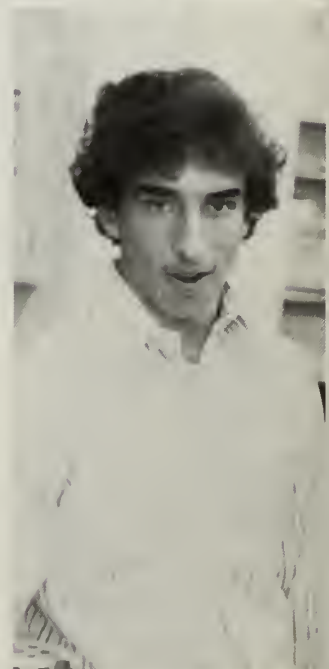

*Do you like the
Things that life
Is showing you?*

*What are you
hoping for?*

Do you know?

Once we were

*Standing still
In time*

*Chasing the
Fantasies*

*That filled
Our minds*

Now looking back at all we planned

We let so many

*Why must we wait
so long*

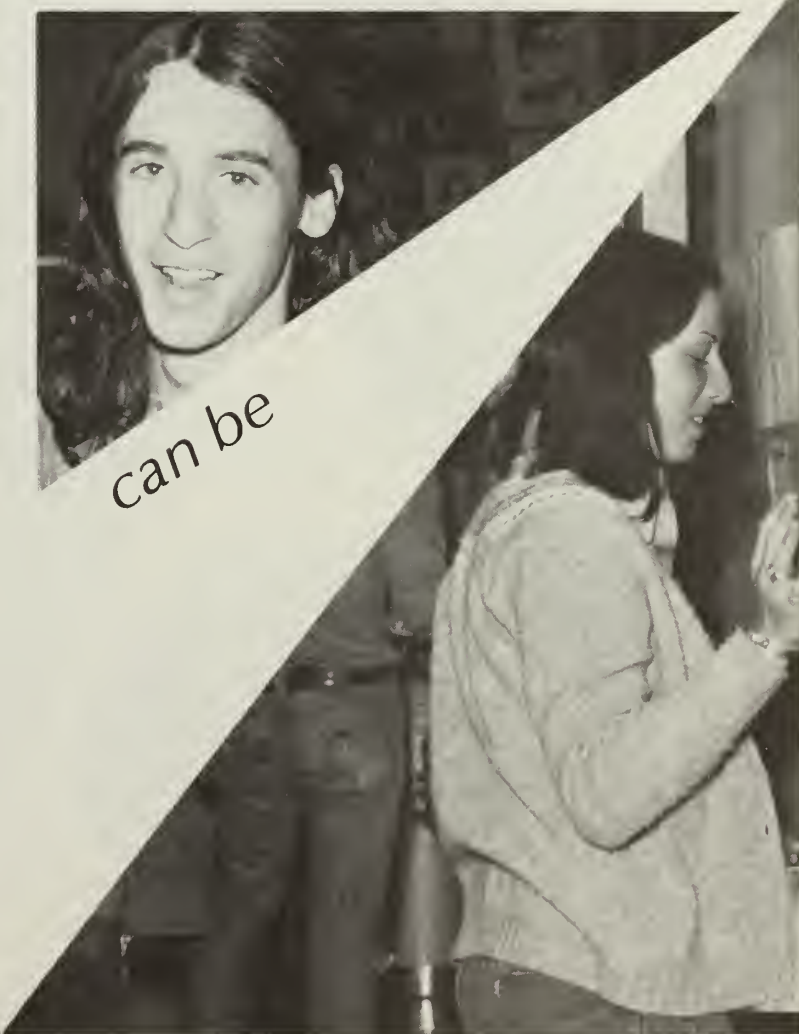

Before we see how

simple the answers to

those questions

can be

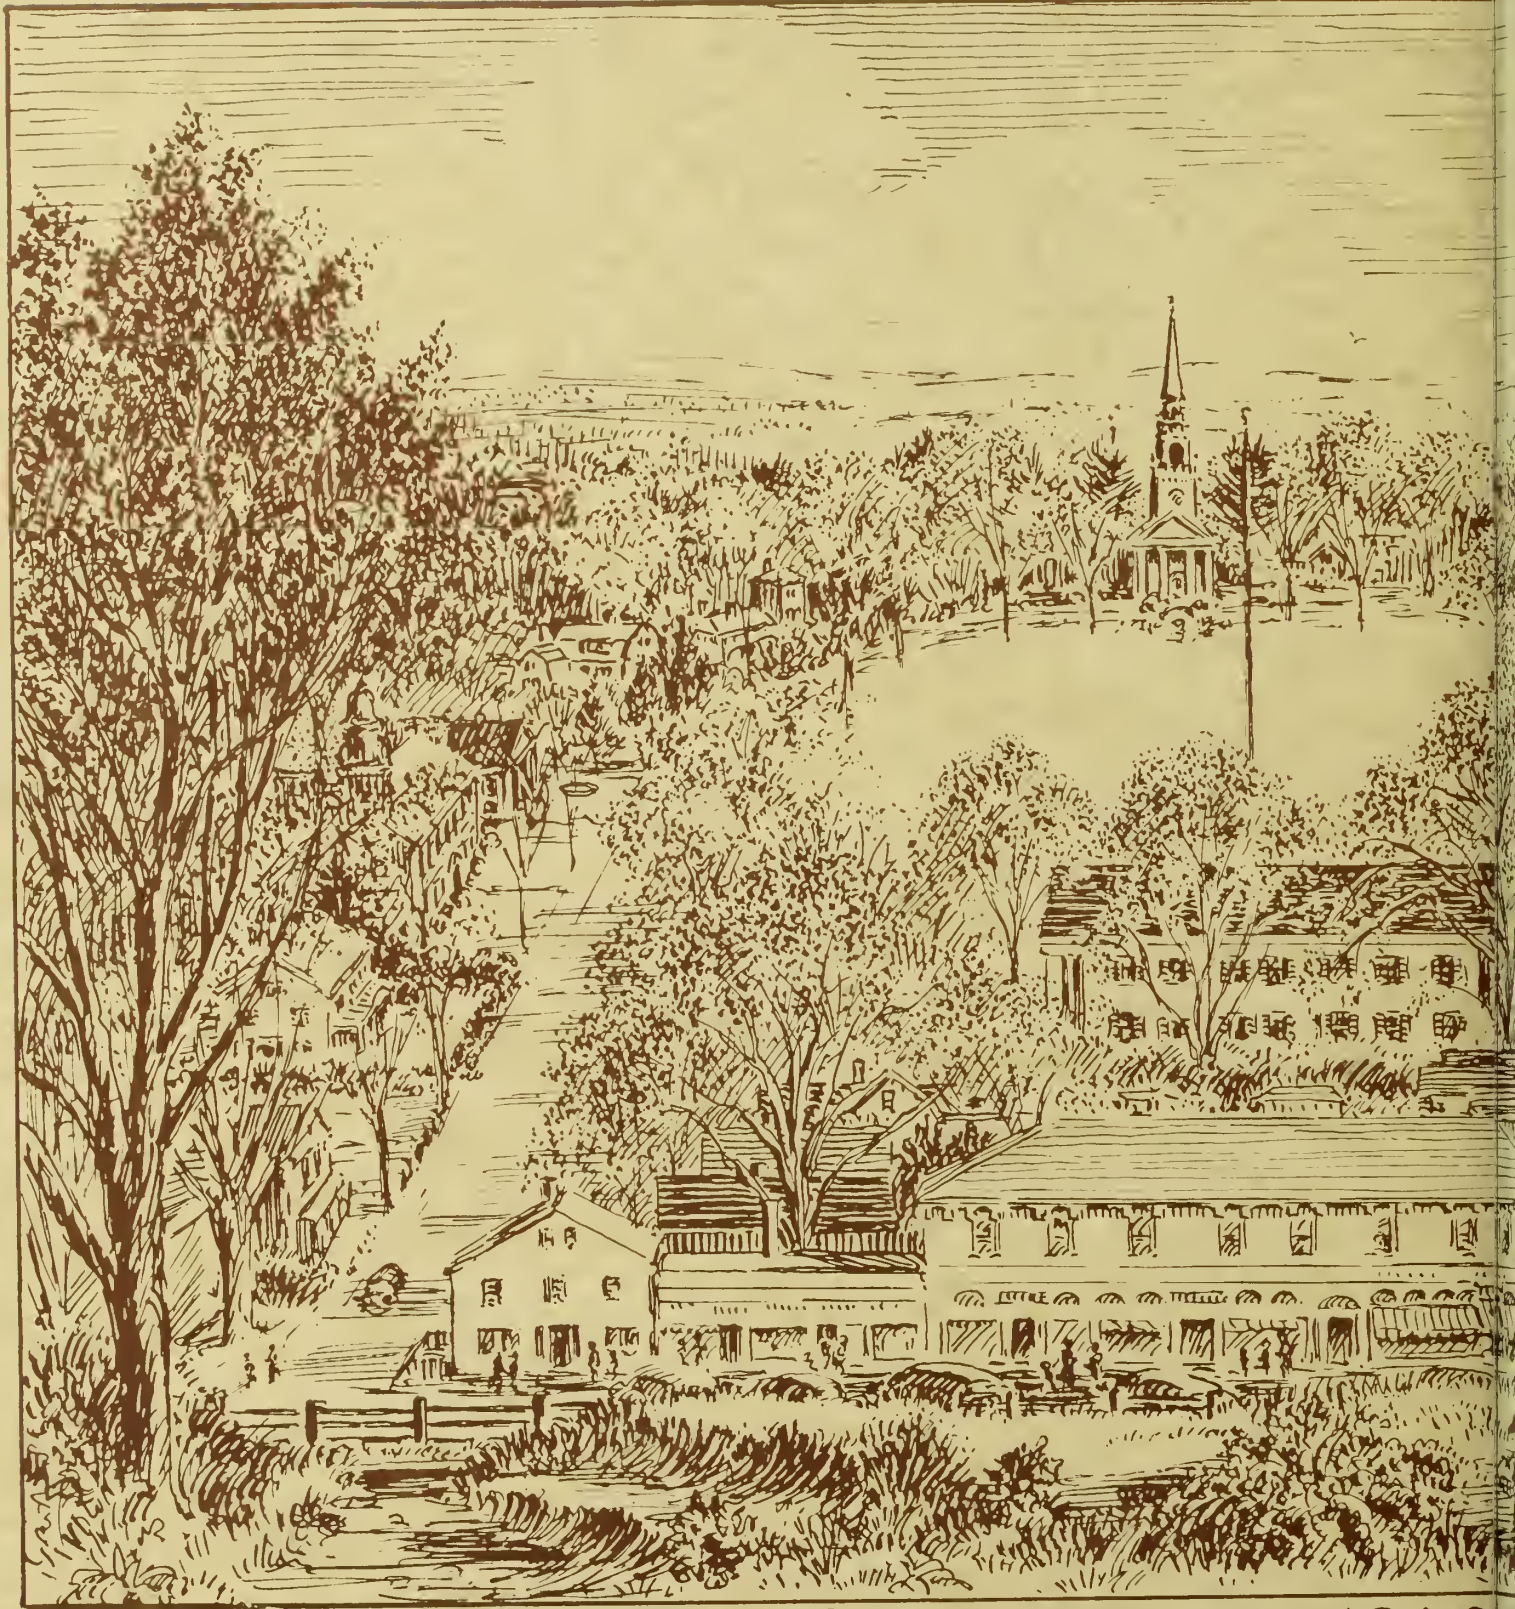

*Love when you can
Cry when you have to . . .
Be who you must
That's a part of the plan.*

"Reach for the heavens,
And hope for the future,
And all that we can be,
And all that we are."⁷⁷
